**Dream, dream, dream!**

What do you believe God wants to do in this season? We can't meet together as we would usually do, but does that mean that Jesus can't build his Kingdom? Let's pray for new opportunities and trust God to show us new ways of doing things through his Spirit.

Your Kingdom come, Your will be done.....

**Luke 11: 5-10**

<sup>5</sup>Then Jesus said to them, "Suppose you have a friend, and you go to him at midnight and say, 'Friend, lend me three loaves of bread; <sup>6</sup>a friend of mine on a journey has come to me, and I have no food to offer him.' <sup>7</sup>And suppose the one inside answers, 'Don't bother me. The door is already locked, and my children and I are in bed. I can't get up and give you anything.' <sup>8</sup>I tell you, even though he will not get up and give you the bread because of friendship, yet because of your shameless audacity he will surely get up and give you as much as you need. <sup>9</sup>So I say to you: Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. <sup>10</sup>For everyone who asks receives; the one who seeks finds; and to the one who knocks, the door will be opened.

**Coffee and Chat in the Churchyard**

The church building is a Covid Secure Venue so we are able to continue hosting activities.

**1 John says "God is love ..... we love because he first loved us" (4: 16-19). Let's share the Good News!**

But Jesus came and broke the chain  
My Friend my Lord and King  
He gave me hope to live again  
And love His praise to sing  
*(My friend Jesus—Michael P. Johnson)*

For Him I live until I die  
Until I rise once more  
Until my Friend enthroned on high  
Lays open Heaven's Door

### **Uganda Update from Tom and Verity Clare**

Since their last email to us, we are pleased to share that the family made it out of Kampala and enjoyed a few days in Murchison Falls National Park on the way back to Arua. Over the last week, the family have returned to Kampala again to sort immigration passes for Verity and the boys, and they also wanted to get Verity's Ugandan driving license sorted, do some shopping for house furnishings and eat some ice cream. All were successfully completed and a good time was had by all. Tom and the boys have enjoyed their first ever safari experience and whilst there, they enjoyed a boat trip up the river to Murchison Falls (the boys spotted 201 hippos and 12 crocodiles, the latter of which excited Eli in particular), enjoying a game drive the next morning with a local ranger on which they saw elephants, giraffes, many types of antelope and a range of other exciting fauna. Please continue to pray for Tom who is back to work, including the weekly trips to the rural health centres and for being blessed by the reassuring presence of their extended family - Noble (their watchman/gardener) and Milly (their help around the home and unofficial language teacher). Pray for Verity as she begins home-schooling the boys. Eli will be doing more structured work as he goes into year 1 so the teaching dynamics will be a little different. Ezra's behaviour has been very challenging lately and Verity is slightly dreading becoming his teacher again but they are trying to stay positive! In terms of coronavirus, the number of cases is starting to rise significantly, with between 50 and 200 confirmed cases most days, as well as a handful of deaths each day. The total case number as are currently 3,667 with 41 deaths and around 4,000 to 5,000 tests being done per day. Community transmission is now well and truly underway and in one sense, the outbreak in Uganda feels like it is just beginning. Sadly, people's unwillingness to wear masks, wash hands and stay at a distance, particularly having not registered many deaths until very recently, is such that many people are not convinced that the virus is anything to worry about, particularly compared to Ebola. Please continue to pray for wisdom for the leaders in minimising harm (from both COVID and ongoing restrictions) in their decision making. We continue to ask for God's guidance and protection on Tom, Verity and family as they continue their missionary work.

**Request for help:** Has anyone got time to organise the gathering in of all the packs that people have been collecting for Doorway? Let Alison know if you might be able to help. Be great to have a few people involved!

**If you give by weekly envelope and have been saving them up please could you consider putting them through the letter box at one of the following addresses if you are passing these areas on your daily walk.**

***Thanks to everyone who has already dropped offerings in! It has made a real difference.***
